

2009 FX50 Ordering Guide

The Infiniti FX50 SUV will be in dealer showrooms in June 2008. Infiniti of Santa Monica is now taking pre-orders for this powerful new SUV in Southern California.

Infiniti FX50 shoppers can now pre-order their new 2009 FX50 at Infiniti of Santa Monica. Consumers can go to <http://fx50.infiniticalifornia.com> for the latest information on the all new FX50 including optional factory installed packages, exterior color choices and interior fabric colors. By pre-ordering your Infiniti FX50, consumers will be able to customize their FX50 to their exact specifications.

The all-new second-generation Infiniti FX is designed to offer exceptional levels of power, refinement, safety and driving exhilaration. Created as a fusion of sports car and SUV, with breathtaking styling, sports car-like proportions and an advanced sports sedan platform, the new FX is a showcase of Infiniti's design and technology leadership.

Along with its dramatic, aerodynamic body structure and sporty FM (Front Midship) platform, the new FX features an extensive list of available equipment and technology designed to create an exciting and rewarding driving experience – including a new 380+ horsepower 5.0-liter 32-valve DOHC V8 or advanced V6 engine (V6 details to be released later), 7-speed automatic transmission with Adaptive Shift Control and available solid magnesium paddle shifters, available Intelligent All-Wheel Drive, 4-wheel independent double-wishbone suspension and large 4-wheel disc brakes. Also available on the new FX are a Continuous Damping Control (CDC) suspension, Rear-Active Steer, Intelligent Brake Assist and 21-inch aluminum-alloy wheels designed by Enkei.

Inside, the new FX interior provides a warm, modern, inviting environment highlighted by a driver-oriented cockpit with available sport seating and available advanced audio, navigation and entertainment systems – including an 11-speaker Bose-developed audio system, Infiniti Intelligent Key, Intelligent Cruise Control (Full Speed Range), Distance Control Assist (DCA) and Around View Monitor system.
